

**The smartest office shredder – a great value for the small office.**

The smallest model of the roto® Office Shredder range fits under any desk, is powerful and offered in both strip and cross cut.

**The operation is very easy:**

As soon as you present the paper – up to 8 sheets at a one time – the shredder automatically starts to work. After the shredding process is finished the machine will stop automatically.

**Cutting system:**

The cutters are made of special tempered steel and will readily accept small clips, staples and credit cards guaranteed for 5 years.

The series S 100 is available in 2 models:

- S 100 SC: Strip Cut
- S 100 CC: Cross Cut

The highlights of the series S 100 are:

- Automatic On/Off control
- Reverse function
- Easy and convenient emptying of the waste bin
- Attractive design
- Exceptional price-performance ratio

**Accessories:**

For better shredding performance of the Cross Cut models we recommend the use of our special shredder oil.

Easy and clear manipulation

5 years warranty on the cutting units
