

The powerful Office Shredder for the small office.

This quiet and compact model from **roto®** is a popular addition for the busy small office offered in both **strip and cross cut**.

The operation is very easy:

As soon as you present the paper – up to 12 sheets at one time- the shredder automatically starts to work. After the shredding process is finished the machine will stop automatically. When the waste bin is full it can easily be emptied without lifting the cutting system.

Cutting system:

The cutters are made of **special tempered steel** and will readily accept small clips, staples and credit cards **guaranteed for 5 years**.

The series S 150 is available in 2 models:

- S 150 SC: Strip Cut
- S 150 CC: Cross Cut

The highlights of the series S 150 are:

- Automatic On/Off control
- Reverse function
- Sheet capacity up to 12 sheets
- Easy and convenient emptying of the waste bin
- Waste bin can also be used as receptacle for normal waste paper
- Exceptional price-performance ratio

Accessories:

For **better shredding performance** of the Cross Cut models we recommend the use of our **special shredder oil**.
