

The perfect shredder for small to medium sized offices.

The **roto® S 400 series Office Shredders** are fast, quiet and powerful. Despite their compact dimensions these shredders are equipped with a large waste bin of 37 litre. The cabinets are designed with casters allowing the shredder to be easily moved inside larger offices. The S 400 series offered in both strip and cross cut.

The operation is very easy:

As soon as you present the paper – up to 30 sheets at one time – the shredder automatically starts to work. After the shredding process the machine will stop automatically.

Cutting system:

The cutters are made of special tempered steel and will readily accept small clips, staples and credit cards (except S 400 HS-5) guaranteed for 5 years.

The S 400 series is available in the following models:

- Strip Cut: S 400 SC-0 / S 400 SC-1 / S 400 SC-2
- Cross Cut: S 400 CC-3 / S 400 CC-4 / S 400 HS-5

The highlights of the series S 400 are:

- Automatic On/Off control
- Automatic reverse function
- Different cutting type's incl. security level 5
- Stable wooden cabinet with casters
- Durable waste bin with optional dust-free PVC bag
- Waste bin can be also used as receptacle for normal waste paper
- Automatic Stop when the bin is full and/or when the door is opened
- Exceptional price-performance ratio

Accessories:

For better shredding performance of the Cross Cut models we recommend the use our special shredder oil. We also supply the appropriate PVC bags.
