

The work horse of general Office Shredders.

The **roto® S 600** series Office Shredders are quiet, fast and powerful machines, which are available in versions to suit every busy office. This high capacity series is equipped with durable large 140 litre waste bins with dust-free PVC bags, housed in an attractive cabinet with casters for mobility. The wide throat makes this powerhouse perfect for every shredding application offered in various cut dimensions from strip level 2 to cross cut level 6.

The operation is very easy and fast: As soon as you present the paper – up to 30 sheets at one time – the shredder automatically starts to work. After the shredding process the machine will stop automatically. If overloaded the shredder will stop and reverse automatically, allowing easy removal of miss-feeds. Internal intelligence monitors all shredder functions (bin full, door open, jam etc.).

Cutting systems:
The cutters are made of special tempered steel and will readily accept small clips and staples guaranteed for 5 years. In addition this series is available in models that can destroy credit cards, CD's and floppy discs (except S 600 HS-5 / HS-6).

The series S 600 is available with the following models:
• Strip Cut: S 600 SC-1
• Cross Cut: S 600 CC-3 / S 600 CC-4 / S 600 HS-5 / S 600 HS-6

- The highlights of the series S 600 are:
- Automatic On/Off control and reverse function
 - Different cutting types incl. security level from 2 to 6
 - Multi media destruction of credit cards, floppy discs and CD/DVD's
 - Attractive wooden cabinet with casters
 - Durable waste bins with easy dustproof emptying with changeable PVC bags
 - Large 140 litre waste bin
 - Automatic Stop when the bin is full and/or when the door is opened
 - Exceptional price-performance ratio

Accessories:
For better shredding performance of the Cross Cut models we recommend the use our special shredder oil. We also supply the appropriate PVC bags.

5 years warranty on the cutting units

Easy and clear manipulation

Media capacity: Credit Cards, CD's, Floppy Discs

Throat width up to 405 mm

Large waste bin with PVC bag enabling dust-free emptying

Shredder with casters
